## **RELATED EXPERIENCE**

### **Barista Starbucks**

**June 2023 – Present** New York, New York

Brew coffee. Provide a welcoming atmosphere for customers, assisting them with their orders. Maintain cleanliness of the shop.

### **Artistic Director & Founder** New Renaissance Theatre Company **December 2018 – August 2020** Boston, MA

Make executive company decisions. Form relationships with different organizations and departments on campus, especially those with an emphasis on diversity, social justice, and the arts. Ensure maintenance of the company's overall image. Create videos, photos, and graphics for social media. Produce our shows. Designed the company website using WordPress and CSS. This company focuses on giving a safe space for artists of color to express themselves.

### **Digital Engagement Coordinator** Reground Theatre Collective **September 2019 – January 2020** Boston, MA

Create ways to engage the community through digital media. Manage the Reground Facebook group for connecting student artists of theatre, music, and dance across Boston. Produce video content for social media. Create connections with colleges in Boston. Read script submissions to help determine what we will produce.

### **Marketing & Public Affairs Assistant** Huntington Theatre Company **January 2019 – August 2019** Boston, MA

Brainstorm and research potential marketing campaigns. Assist in the creation of press releases and story pitches. Produce videos and create graphics for social media and patron experience.

### **Costume Shop Crew** Northeastern University **September 2018 – December 2018** Boston, MA

Build costumes for Northeastern's theatre productions. Repair costumes damaged during performances. Maintain organization of the costume shop.

### **Producer** Boston City TV/City of Boston **January 2018 – August 2018** Boston, MA

Film, edit, direct, and upload videos from mayoral events onto TV, YouTube, and social media. Events are either live or pre-taped. Design graphics to be displayed on television and social media. Manage social media. Act as liaison between cable companies, Boston 311, and constituents having cable related issues.

### **Production Assistant** NUTV/Northeastern University **September 2016 – December 2017** Boston, MA

Develop video ideas through collaborative brainstorming, storyboarding, and writing. Assist in the production of videos by setting up lights, operating the camera, and monitoring audio. Transform raw footage into films using Adobe Premiere and After Effects.

### **UX Designer** Jersey Railings and Stairs **September 2016 – April 2017** East Brunswick, NJ

Designed the initial website by conducting interviews and researching similar sites. Tested designs with potential customers. Developed the working site with HTML and CSS.

### **Employer Relations Assistant** Northeastern University **September 2016 – December 2016** Boston, MA

Delegated job postings. Assisted students with setting up interviews. Signed in and helped navigate students at the career fair.
